**DETAILS**

**Reason for Legislation**

William Livengood has submitted an application for a sidewalk café in the public right of way on the sidewalk in front of Green Gateau, 330 S 10<sup>th</sup> Street.

**Discussion (Including Relationship to other Council Actions)**

In 1996, Council approved amendments to the City Sidewalk Café Ordinance, LMC 14.50 to encourage and facilitate the development of sidewalk cafes in the business owned areas of the City.

Green Gateau is applying for a permit to place up to four tables and sixteen chairs in the public right of way in front of their downtown location. As part of the café, they will install additional street lights and will utilize historic fence material in the sidewalk café.

Representatives of the City Departments on the Outdoor Dining Committee - including staff from Planning, Police, Fire Prevention, Health, Public Works and Urban Development- have reviewed this application and recommend approvals as submitted and amended.

The City's Urban Design Committee reviewed the request at their January 7<sup>th</sup> meeting and voted their approval of this application.
